high•way *n.* a direct line or way to some end (or beginning).

There are long, straight roads, short, twisting streets, old paths, and new freeways, all of them winding their way across the world. Each of them has many turns that provide new surprises. But all of them will lead us home, back to our roots, and then they will take us to the new lives we will follow into adulthood.

Fifth Annual Leadership Camp another winner

The Fifth Annual Lancer Leadership Camp dealt mainly with confidence building techniques and assertiveness. Lucy Billings, a very fun and outgoing person, was the featured speaker. Because of her personality the participants played many enjoyable games, such as "A What?", "Wheel of Assertion," "What I Like About Me," and "The Goodbye Game."

ASHLEY CROW felt that, "It was a lot of fun making fools of ourselves, and everyone got invovled." Also Dawn Freitag felt that, "It gave us an opportunity to get involved with the underclassmen to see their qualities in leadership along with the seniors."

This year's Lancer Leadership Camp was held on Sept. 14 at Camp Abe Lincoln in Blue Grass, Iowa.

Shileny leads NS students to Mexico

While most of us were working more than ever for some extra cash during the summer of '91, five students had already saved up \$900 for their trip to Mexico.

They accompanied Mrs. Shileny for the trip from June 14-24. The money they saved paid for their airfare, most of their meals, and lodging.

The group stayed in Mexico City at the Gran Hotel. During the week they each stayed at a family's house while they went to school from nine to one o'clock. The group also stayed in Puerto Vallarta at the Buena Ventura.

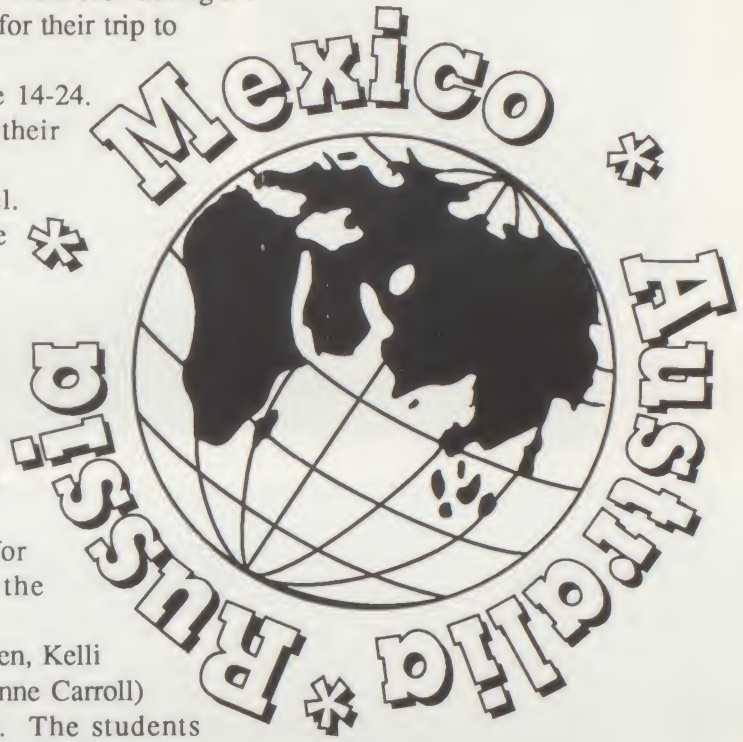

During their ten day stay they toured the small town of Santiago Guistango and Taxco, which is famous for silver.

Some of the group's time was spent in Mexico City. Mrs. Shileny said it was crowded but it's a city that has a lot to offer.

The trip wouldn't be complete without some time for shopping. The group spent time shopping along the boardwalk in Puerto Vallarta.

Although this year's group was smaller (Tanya Soenksen, Kelli Andresen, Madonna Noel, Cheryl Jacobsen, and Leigh Anne Carroll) they were more open-minded than previous groups. The students experienced culture and improved their Spanish.

Mrs. Shileny believes "this trip was a great experience and if you can get a chance to visit another country you should."

HOLA, MEXICO! Nancy Shileny, Tanya Soenksen, Kelli Andresen, Donna Noel, Cheryl Jacobsen and Leigh Anne Carroll take a break from their touring.

Hamilton visits Aussies

She didn't meet Crocodile Dundee or bring home a kangaroo, but North Scott Junior Sue Hamilton still says her visit to Australia was "a lot of fun."

Hamilton visited down under from June 28-July 18, winter in Australia. The trip was expensive, but her parents helped her with the financing when her own fund-raising efforts fell short.

Under the auspices of the "People-to-People" organization, Hamilton stayed in hotels or college dorms in Sidney, Melbourne, Brisbane and Cairns. Shopping in Sidney was a highlight. "The most important part of the trip," Sue said, "was learning about Australia's culture and history. I might want to live there awhile."

Meinert tours USSR

Kevin Meinert, sophomore, visited the Soviet Union from June 17-July 7, only a few weeks before the failed coup.

Meinert toured several cities including Moscow and Kiev. Kevin says although he did have some communication problems, he did manage to learn a few Russian words.

The best part of the trip, Meinert said, was being allowed into the cities to have some free time.

Kevin said he'd like to visit the Soviet Union again, but he wouldn't want to live there.

Shield Signing Party a night to remember

IT WAS THE beginning of a tradition at North Scott High School.

An estimated 500 students along with a few members of the faculty, staff and administration, gathered in the sweltering 90-degree heat of The Commons on Thursday night, May 24, 1991, for the First Annual Yearbook Distribution and Signing Party.

This all-school party lasted from 7-10 p.m. Admission was free.

With a rented jukebox playing a variety of music in the background and concession stands offering Antonino's Pizza, pop and Whitey's ice cream, students came and stayed and stayed to sign yearbooks.

There were dozens of door prizes, including a C.D. player and a dorm-size refrigerator.

"It was one of the neatest events I've been to in high school," one student said. And hundreds of others seemed to agree.

The Shield you're now holding came to you at a similar event on Thursday, May 21, 1992.

New Leader Brings New Policy

Student Congress has a whole new policy this year to go along with the new leader. Mrs. Glendena Heiman took over the reins as Student Congress adviser and brought much organization with her. Meetings are held every Tuesday and Thursday during homeroom in D-13.

Members are selected by their class after a week of campaigning and hearing the speeches. The officers over the entire Student Congress are voted on by the members. Then throughout the school year these people organize things such as Leadership Camp, homecoming activities, the Hunger Drive, the Blood Drive, and the dances. Everything gets done by setting goals and this year Student Congress met some real challenges.

Not Just For Athletes

The Fellowship of Christian Athletes is a fun way to meet a lot of people and have a great time understanding God's word. But don't be fooled by the name, you don't have to be involved in a sport to participate. "It's more like a youth group at church," believes Laura Oliver, a freshman member.

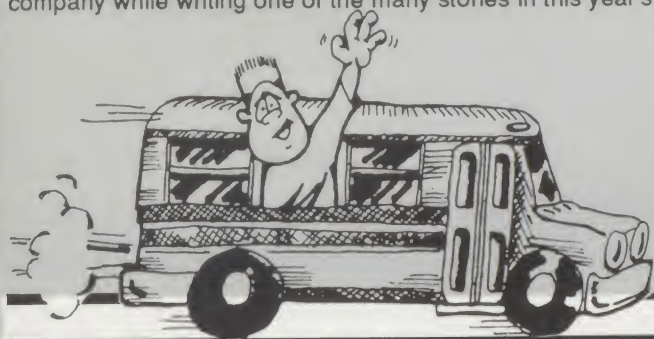

F.C.A. meets a couple Mondays a month from 7:00 to 8:00 pm. The games, singing and the Bible reading are led by Mr. Delmar Ryan and Mr. John Green, the advisers. To raise money for all the activities, members sell candy and clean the football field.

Not Just a Picture Book

You may think that the yearbook is just a picture book of memories and autographs of your closest friends. This is so, but there's more! It's a book made with an abundance of hard work. Mr. Kielkopf instructs the 7th hour class whose responsible for organizing this book. Important decisions are made by the tri-editors, Neva Hoffman, Amy Manley and Mindy Thornton. The other members of the staff hold many responsibilities as well. These tasks range from taking pictures and writing captions, to organizing an entire page and its contents. The staff puts in extra hours of hard work to make the Shield pleasing to the students, faculty and staff of North Scott High School.

The Hard Work's For Everyone

Who's behind the school newspaper that is read by the entire school every month? It's the Lance staff, lead by the co-editors, Tammy Stolpe and Kimm Meyers.

They work hard each month to give the school an interesting overview of the previous month's happening, opinions and insight for upcoming events.

FFA: The Future of Agriculture

FFA, Future Farmers of America, is a school-related organization that increases the students' agricultural skills. These skills are improved by attending conventions and participating in projects such as creed and extemporaneous speaking, agricultural sales, job interviews, as well as judging of livestock.

The students involved must be involved in some type of Vo-Ag course, have their dues paid and attend regular monthly meetings. The meetings include fund raising business and a recreational activity of some sort.

Where are the Seniors?

Do you notice some of the seniors missing during the afternoon? Skipping, hiding or just sick? No, these students are enrolled in the Multi-Occupations course. This is a class where the students involved attend their classes in the morning and go to work in the afternoon. They receive credit for this course as well as gain experience and prepare for their futures in the work field.

This year Mrs. Hertig has become the new Co-Op teacher.

Some of the places of employment this year are Target, K-Mart, Hardee's, Spencer's and even here at our own school.

Making A Contribution

If you contain a C average or better and have recommendations from three staff members, then you are able to give assistance in the Library/Media Center. Students involved in helping in the library take on the tasks of filing books and pamphlets, laminating papers, and setting up graphic displays. Para la Fiesta

Valentine's Day wouldn't be the same without Foreign Language Club. Selling carnations with messages and distributing them throughout the day is the main fund-raiser of the year. This provides for the expenses of the annual Christmas party. Most members felt the Christmas party was the highlight of their activities. Students of all grades whom participate in a foreign language course are qualified to be a member of this organization.

National Honor Society officers are Anne Brockmann, Jenny Rock, Valerie Schnekloth and Kirk Golvinghorst.

Tomorrow's Leaders

Scholarship, leadership, service and character are the four fundamentals of National Honor Society. All the applicants must possess these basic principles as well as maintain at least a 3.4 grade point average. Applications are judged by a group of teachers, and the names withheld to ensure everyone is rated fairly. Those selected become members of a very prestigious group and are recognized as tomorrows leaders.

Office Helpers Have Much Responsibility

The office isn't just run by an adult staff but by students as well. These students are known as the office helpers. They not only get in on all the latest gossip of the school but they hold a lot of responsibility too. Their jobs include delivering all messages throughout the day and taking up the attendance sheets at each class.

These students sign up to be of assistance in the office previous to the quarter.

Anne Brockmann, Sarah Hotchkiss and their advisor enjoy this JA meeting.

Business Babies

Every Monday at 6:30 a group of young entrepreneurs assemble in our very own F.F.A. building to discuss the status of their businesses. These are not wealthy stock brokers from New York, but students in North Scott's chapter of Junior Achievement. At these weekly meetings, members analyze how their business is doing, produce the product and sell it if time allows. To become a J.A. member, you simply show up at the meetings and pay \$5 to your partnership. At the end of the year, they compete with groups from other schools for various individual and group awards.

MARCHING BAND NORTH SCOTT

Songs worked on:

- 1) "Sprach Zarathustra"
- 2) "Boogie Woogie Bugle Boy"
- 3) "Hey Jude"
- 4) And Stars and Stripes

The Lancer marching band, directed by Mr. Dan Anderson, is a great challenge for everyone. This years band is comparable with other years because of the many excellent players, good leaders and hard working, positive students. Still, the band provides a musical performance with the appropriate visual movements.

We asked Mr. Anderson if he would ever consider competing with other marching bands around the state and he replied, "If our educational goal was to perform four pieces of music from August to November as other schools do, we might consider it for motivational purposes". But North Scott's band goals are to provide a variety of musical styles, challenge students on a weekly basis, improve their reading skills by covering a wide variety of literature that makes the performance entertaining to the audiences with a new show each game, and developing group leadership, discipline and pride.

Mr. Anderson requires all 138 students to participate in the performances at every home football game.. Many students have said that they would like the band to stay for the entire football game, but because of everything that has to be done after the show, this is not really an option.

The seniors that were interviewed for this article told us that they enjoyed creating the final show as a group. It gave them a feeling of "superiority" over the other band members. The seniors also wanted to put in a special word of thanks: "We want to thank Mr. A and Mr. K for all of their hard work and support".

Jazz Bands Are Great Success

Jazz I Band is a very skilled band made up of some young, but very talented musicians. They have come a long way in the past few years and have turned out to be very excellent.

Jazz II Band is also very talented and are all expected to make it to Jazz I Band someday.

Jazz I Band went to Western Illinois and placed first in their jazz competition. Kris Dinussen, Martin Menke, Melanie Holdorf and Thane Lenig all made All-State Jazz Band. Jazz I is instructed by Mr. Anderson and Jazz II is instructed by Mr. Kessinger. These fine instructors and students should be acknowledged for all of their hard work and effort that they have put forth every day to make this such a great success.

CHOIR

Before coming to teach at North Scott High School, Ms. Mary Knapp heard a lot of great things about North Scott from people around the state which influenced her decision to teach here. Ms. Knapp, said that she has found the quality that she expected. She also found that the kids are nice.

Ms. Knapp taught at many schools before coming to North Scott. She did some college work at Clarke College in Dubuque. She also did some graduate work at the University of Missouri in Kansas City. She taught in St. Paul, Minnesota, Dyersville Beckman High School for 11 years, then most recently at Dubuque Senior High School.

"My goals include teaching the choir to rehearse with discipline, to sing expressively with a mature tone quality, and improve the musicianship of my students." She added, "The North Scott choral program is similar to my experience at Dubuque Hempstead High School because of the high quality of musicianship in our students here. But it also differs from Hempstead. All the literature we are singing for our Fall Concert is new to me except a few tunes, although, I do expect to teach songs I've taught before."

MAKING ALL STATE is the highest honor a high school musician can receive. Auditions for the 285-piece All State Band, 210-piece Orchestra, and 600-voice chorus were held in Washington, Iowa on October 26, 1991. Only about 17% of the students who try out are selected for membership in the All State Honor Groups. This year's group of All State Qualifiers included many students that have qualified for a number of years. The qualifiers this year for band are Martin Menke, Erin Guss, Drew Anderson, Jen Rock, Kristen Smith, Ryan Blodig, Adrian Sherrill, and Melanie Holdorf. The qualifiers for choir are Kori Jorgensen, Randy Riewerts, Amanda Orris, and Gregg Campbell. This years alternates included: Jenny Birtell, Cristian Carlton, Valerie Schnekloth, Matt Oliver, and Tom Knapper. In addition to these qualifiers, we had two freshmen qualify for a competition similar to All State, but for younger participants. This was the first year for this concert.

All State is a concert that is held every year at the Hilton Coliseum in Ames, Iowa. It is a festival concert open for the public to view. This year's performance was held on November 23. The audience this year included approximately 4,000 people, this is less than most years, most likely due to the bad weather. The qualifying students left on Thursday afternoon. They had to attend many hours of rehearsal all day Friday and before the performance Saturday evening. Some participants in this year's concert stated that the concert was of better quality this year than the concerts of the previous two years.

When interviewing a band and a choir three time recipient of this honor, the question about the most enjoyable part of this experience was asked. Responses were: The actual performance will "blow you away", the sound is magnificent; it is interesting to be performing under a different director, and to see how they approach the job.

For the first time, this year a Junior All State (OPUS '91) was held. Two of our freshmen choir students qualified. They were Jonathan Bowmer and Jason Lafferty.

Congratulations to all who qualified this year, and good luck to everyone next year!

Speech Team Helps To Create Better Actors/Actresses

Speech team is an organization in which young adults meet to practice on becoming better actors/actresses. While on the speech team, the student becomes more of a debator or policy-type person. They can also achieve to be a totally different person and learn a whole new way of presenting themselves.

Judith Jacobs is the director of North Scott's speech team along with Julie Gerich, the assistant director. When the Shield interviewed Ms. Gerich, she said she felt that this year's group has met all of the accomplishments that she had expected of them. She has gained interest in the new students that joined and that has given her a chance to polish them up and achieve better quality out of them.

The speech team went to their first meet on February 29th and eight of the team's members participated in the state competition on March 21st. Ms. Gerich hopes to have some familiar faces on next year's speech team and to see all of the students at next year's state competition.

The Speech Team State Individuals Include:

Stacey Bochart: Storytelling

Kathy Bopp: Original

Kendra Ganzer: Poetry

Shannon Hans: Expository Address

Melanie Holdorf: Humorous

Justin Levsen: Poetry

Kim Rigby: Dramatic

'Seven Brides for Seven Brothers' rolls

THE ROLICKING DAYS of the early west formed the backdrop for the Lancer Productions' version of the high-energy singing and dancing of "Seven Brides for Seven Brothers."

The play was directed by Judith Jacobs with Junior Stacey Bochart as student director. Mary Kay Knapp was choral director, Jayne Ploehn choreographer and Tom Goodall technical director.

Melanie Holdorf (Milly) and Matt Teeples (Adam) played the leads. Other brides were Christina Higareda, Jenny Birtell, Kristina Kiefer, Shanna Haugland, Maria Gross and Sally Donaubauer.

Other brothers were Randy Riewerts, John Lafferty, Kori Jorgensen, Jeff Cordts, Gregg Campbell and Matt Whisler.

Performances were presented Nov. 8, 9 and 10. Tickets were \$5 for adults, \$4 for students and senior citizens.

OTHER MEMBERS of the cast were: Suitors -- Jason Stichter, Kris Stoker, Rich Miller, Brandon Tuttle, Adrian Sheriill and Clint Sager.

Mr. Bixby, Mark Peters; Mrs. Bixby, Kim Rigby; preacher, James Pieper; preacher's wife, Kathy Bopp; Mr. Perkins, Bill Andresen; Mrs. Perkins, Val Schnekloth.

BOTTOM L-R: Adrian Sherrill, Phil Langan, Matt Teebles. **TOP:** Kim Rigby, Valerie Schnekloth, Kathy Bopp.

Debate at North Scott is taken mostly as an independent study course. In order to be in debate, a student has to have completed both Public Speaking I&II, have the debate class period free, and have the approval of Mrs. Jacobs. Debate students attend competitions which are held at some area high school's such as: Bettendorf, Central, and Iowa City. Along with these, the University of Iowa Campus. Their competitions are usually held on Saturday mornings and on through the day.

"Debate only requires as much extra time as you want to put into it," one debate member stated. He said that a person could spend five hours a night on their research for debate but most people don't have that large amount of time to spare. Debate gives a student a great deal of organizational skills and teaches them to be a quick-thinker. They also have the chance to 'stand up' for what they believe in. Debate is a great challenge for everyone.

"Policy debate is like a chess game. It is not an exercise in public speaking, rather it is an exercise in quick thinking."

Valerie Schnekloth

"There is no other class that uses everything you learn in high school and prepares you for life better than Debate. It should be open to everyone."

Phil Langan

THE LANGUAGE ARTS department is headed by Mr. Steve Mohr this year. The other teachers are Harlan VanderVenne, Mary Goedken, Judy Jacobs, Dennis Hennigan, Mike Kielkopf, and Gene Conrad. These teachers all work together to improve our communication skills, whether through reading, writing, or speaking.

Underclassmen have a required four part English program. These courses are Writing Lab, Long and Short Literature, and Communications. These classes give students a balanced approach to the Language Arts curriculum.

When you become an upper classman you have a lot more choices, classes you call electives, which you can take to pave the road to college. Classes such as Discovery Through Reading, Practical and Creative Writing, Public Speaking I and II, Journalism I and II, American and Popular Novel, Advanced Composition, World Literature, English Literature, Yearbook Production, Humanities, and Newspaper Production. Debate is also offered, but as an independent course through Mrs. Jacobs.

ENGLISH

Foreign language classes at North Scott are open to everyone 9-12. For freshman and sophomores there is French and Spanish I and II. Juniors and seniors can take classes I through IV.

Spanish classes are taught by Nancy Shileny, Maureen Fletcher and John Hawley, who also serves as the department chair.

The foreign language teachers say that the new french text books received last year and the new spanish textbooks this year have been a great improvement to the department.

Foreign language is a fun and rewarding experience for everyone. The students learn about different cultures and their languages, and often discover new things about themselves.

QUESTION & ANSWER

Yoshiro Fujishima

1) What made you decide to come to NSHS to teach?

I am from Yamanshi (state), Japan. Yamanshi and Iowa are sister state. So I came here as one of the sister-state programs.

2) Where did you go to college? How long did it take for you to speak the American Language.

I graduated a college in Tokyo, Japan. I have been studying English for more than ten years. But I cant speak it well yet. We, Japanese usually study English for six to seven years at school.

3) What is your impression of the American Students compared to Japanese students?

Before coming the U.S., my friend, who is an American, said to me, "Be careful, American students are terrible! " So I was worried about it. But that is wrong. Now I think the American students, especially in NSHS, are very friendly and kind to me. I enjoy the life of NSHS. The Japnese students study harder than the American just because there are the entrance exam to go to a high school or college.

NORTH SCOTT HIGH SCHOOL has an excellent music program in which Dan Anderson, Bill Kessenger, and Mary Kay Knapp are in charge of. The classes that are available, as far as instruments, are Concert Band, Symphonic Band, Jazz I and II and Marching Band.

For the past three years, North Scott choirs have adjusted to three different teachers quite well. There was Mr. Hann, Miss Lien and finally Ms. Mary Kay Knapp, who we hope has found pleasure in teaching Red Choir, North Scott Singers, and Chamber Singers. Ms. Knapp is also very involved and motivating to All-State singers who are a group of people who sang in a mass choir in November.

These fine arts are instructed by a fine trio of instructors who are proud to be involved in the excellent music program at North Scott.

Social Studies Loses and Gains

After more than thirty years at North Scott, Mr. Larry Lake will be retiring after the '92 year. But Don Scott, Andy Agosta, Randy Denner and part-time Matt Miller will continue their services in the Social Studies department. Pat Townsend came in last year as a student teacher and found himself the permanent substitute for Mr. Agosta, who had bypass surgery this past October.

The department is currently revamping the world history program for the '92-'93 school year, offering World History I (Pre-history-1350 A.D.) and II (1350-1914 A.D.) in place of Ancient, Medieval, and European histories. These courses will be offered both semesters, eliminating the common excuse of "scheduling problems."

SOCIAL STUDIES

Our math department this year is headed by Mr. Ron Brown, a change from past years. Other members of this department include: Bob Voelkel, Betty Kube, Dean Birkhofer, Bob Rhinehart, and Marcia Hartman. There are many different choices for classes to take in the math department.

Math classes start with General Math then continue to Pre-Algebra, Algebra I, Geometry, Computer Programming I, Algebra II, Computer Programming II, Analysis and if you happen to "double-up" your sophomore year, you're one of the lucky ones who can take Calculus your senior year.

Later in the year, the math department will be giving a national math test for the top students in every math class. The math department will also have an awards presentation for the academically outstanding math students.

When I surveyed Mr. Brown, he came up with quite a few math quotes for you to remember. "The strategies will carry over into life...not the solutions"; "You have obviously mistaken me for someone that cares"; "Dean B. & Euclid are the fathers of Geometry"; "Give me my beating and let me go home"; and last but not least, "Act like you care." Be on the lookout for some of these sayings in your math classes, unless you've already heard them.

MATHEMATICS

Headed by Mike Brown, the Science department is well equipped with experienced teachers such as Jim Logan, Jeff Newmeister, Paul Flynn, Glendena Heiman and Brad Merrick.

Courses of study for freshmen and sophomores are general science I and II, as well as biology. Juniors and seniors can choose from chemistry, biology, health II, fitness and wellness, and for those science whizzes, physics.

The science department has added a new laserdisc player and salt water aquarium, to further educate students in the realm of science.

Driver's Education is probably the class most underclassmen can't wait to take. The demand for this class is so high because students are not able to get their driver's license until after completing a driver's education course. Mr. Ken Nevenhoven teaches all the classes both in the classroom and on the road. One day per cycle the students get behind the wheel and try to stay clear of any traffic violations. This year the students got new textbooks as well as two new cars, when in the previous years we've had them loaned to the school. Hopefully all the students will take Mr. Nevenhoven's advice and "Drive to survive."

The courses available for freshman and sophomores are manufacturing technology, communication technology, energy/power/transportation, construction technology, metal working I, woodworking I and drafting I.

As far as courses for juniors and seniors, all of the above programs are available, plus automotive mechanics, automotive maintenance, architectural drafting, machine drafting, carpentry, power technology, woodworking II, metal working II.

So if you enjoy construction, destruction, or want to gain some practical knowledge that few teenagers have, try one of these courses.

ASK MOST people what their favorite hour of the day is, and they'll probably tell you study hall. Most students have one, and most wish they had more. However, what you do with study hall does not always have something to do with studying (at least for those who are in open). And when open gets too noisy, you can always go to the library for a quiet place to think.

IN FACT the library is also a great place to research anything you may be interested in. New computer systems make finding information easier and quicker. Info-Trac, or TOM, gives a complete listing of magazine articles on nearly any subject. The new CD-ROM computer is an encyclopedia with a monitor. Easy to use, this system can give you a print-out of whatever topic you want. The newest addition to the library is the check-out computer. Automatic record keeping and speedy check-out's make this an appreciated addition. In future years, we may see the entire card catalog system on computer.

FROM TOP LEFT: No better place to read than the library, as you see here with Brandy Nass. Seventh hour study hall takes time out of studying, to pose for the picture. NORTH SCOTT GIRLS GO TO STATE

"What a year! What started out being a rebuilding year ended in a state tournament appearance," replied Coach Johnson.

"I'm not sure where to begin. So many positive things happened this year, but let's start with our pitchers. Kerri Brehmer and Lisa Holden performed remarkably and we played as tough a schedule as ever. We've never played as many top ten or top twenty clubs as this year. Behind the plate, Shannon Hans came on and has done a nice job. When you lose all your pitchers and catchers in one year, it takes time for the players to get to know each other and gel. I credit the seniors--Tenley Murphy, Pam Dalton and Missy McCaughey--they made it easy for the youngsters to fit in, and that's not always the case. "

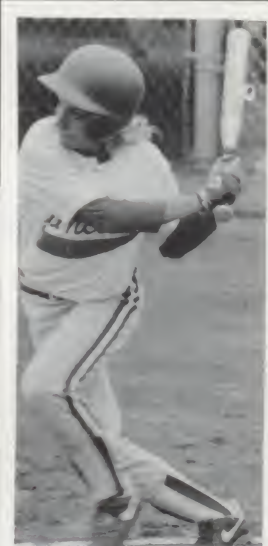

"Sarah Kirby had never played an inning of varsity ball before and played extremely well in right field. And Lori Osterberg, even though she's a freshman, can hardly be called a youngster anymore. She had a great (state) tournament team. She comes to play every game and did a lot of nice things."

"There were 12 kids on the roster and every one contributed in different ways. Lea Twigg led the team in hitting with a cast on her hand for a month, and led the state in hits and batting average (.86, .538). We had the third highest batting average among state tournament teams and played our toughest schedule."

The Lady Lancers had lost only to the championship team (Ankeny) and the winner of the consolation bracket (Riceville). In the four games they played at state opponents scored only six runs against the Lancers, and four of those runs were by Ankeny in the opening round. Brehmer, who was named the team's Most Improved player, allowed just eight baserunners in her final two games and Holden allowed only one against Ogden.

"Mike Henderson (IGHSAU Public Relations Director) told me after seeing North Scott play two innings that they would win the hustle and attitude award, and that was quite a compliment. I'm coaching a class bunch of kids. Coaching isn't fun, it is work, but a group like this makes it somsomething special," said Mr. Johnson.

HOEKSEMA RESIGNS

The Lancers started the 1991 summer season 2-8 under third-year head coach Tom Hoeksema. After his sudden resignation due to health problems, the Lancers went 12-16 under interim head coach Mike Kielkopf, a North Scott English teacher, to finish with an overall mark of 14-24. The Lancers finished 3-15 in the MAC. Star pitcher Jeff Johannsen injured his arm and did not pitch in the last 28 games. A disappointing 17-10 loss to Bettendorf in the district tournament ended the season.

Split Season for Lancers

The Lancer Sophomore baseball team had a split season with the final record at 16 and 16. The team felt a little inconsistency early in the season, but that changed by the end of the season. Some of the players felt that their most successful game of the season was against West.

"I really enjoyed playing with the more experienced players. I thought that we had a successful season!" said second baseman, T.J. Case.

Busy Season Proves Successful

The sophomore Lady Lancer softball team had a very successful and busy season. In the final league standings they finished second and overall the Lady Lancers had a 35-3 record. The games against Burlington seemed to be the closest battles of the season. The first game Burlington won 6 to 5 but the Lancers were able to win the second, 3 to 1. The sophomore softball team seemed to have impressive tournament results. They finished first in both the Mount Pleasant tournament and the North Scott tournament.

SEASON PROVES PRODUCTIVE

The 1991 Lancers boys track team, led by '91 graduate Ryan Fier, had a very productive season.

Fier established meet records at the Prairie Relays in Cedar Rapids in the 110 meter high hurdles (14.80), breaking a mark that had stood since 1973, and at the Muskie Relays with a 14.66, which also set a North Scott record. The old school mark, held by Tim Carter, had stood for a decade.

"For me it was a great season," said assistant coach Bernie Peeters. "I've had super athletes in my areas who have been very successful."

Other top performers were '91 graduates Tony Meyer in the high jump, Glenn Armstrong in the 100 meter and long jump, Carter Davis in the shot and discus, Jeff Keppy and senior Mike Banks in the 3200 meter, and senior Dan Marti in the low hurdles.

Also making big contributions were '91 graduates Layne Marti, Jeff Abbott, Brad Carsten, Ron Knoche, Jon Lange, Joe Nichols and Jerry Willis.

The Lancers finished fourth in the MAC indoor meet behind Davenport Central, Burlington and Muscatine.

Up and Down Season

It was an up-and-down spring for the '91 Lancers' girls track team. Several individuals enjoyed some excellent performances.

One of the team highlights was North Scott's first place finish at the Linn-Mar Relays in Cedar Rapids on April 16.

"Stephanie Goodrich and Tricia Graham had good nights and Dorothy Armstrong did, too," said head coach Steve Schroeder.

Another season highlight was the appearance of five North Scott girls in the Drake Relays in Des Moines on April 26-27. Qualifying in the 4x400 meter relay were Steph Goodrich, Amy Paulsen, Christie Horsely, Tricia Graham and Kelli Ferguson.

THE GIRLS SOCCER team kicked off its practice season on March 5, 1991. Three weeks later the Lancers played their first match.

The girl's soccer skills did improve through the course of the season. And although the girl's didn't have a winning season, they played hard.

Perhaps the highlight of the season was a 12-0 victory over Burlington on April 30. In that match, North Scott set school records for the most goals in a match and the largest margin of victory.

Late in the season, Head Coach Gordon Krueger said he saw consistency building in a pair of ties against Dubuque and Davenport West.

ONLY FOUR SENIORS were on the roster for the 1991 North Scott boys soccer team, but despite the rebuilding job, the team had built a 7-7-3 record late in the season.

That included a late season run in which the Lancers set a school record with six consecutive wins.

Hans Krueger, only a junior, tied the school mark for goals in a career (22) in a 3-1 win over Davenport Assumption on May 7. The record was established by Chris Nevenhoven.

Others who played well for Coach Matt Miller's squad were Jason Brandon, Greg Quinn, Ron Zimmer, Jim Hill and Reid Koberg.

ONCE AGAIN this spring the North Scott boys tennis team was led by a new coach. The new head man was Mark Wriedt.

Under Wriedt's direction, the Lancers opened the season with a win over Davenport North and went on to set several North Scott records, including a first-ever 9-0 victory over Geneseo.

The Lancer team was led by Ryan Riewerts, Phillip Langan, Kori Jorgensen, Chris Bowser, Randy Riewerts and Drew Anderson.

"We had a good season but it could have been better," said No. 1 singles player Ryan Riewerts.

North Scott Boys' Golf Team Takes MAC Championship!

The 1991 North Scott boys golf team had a historic season highlighted by the Mississippi Athletic Conference victory at Palmer Hills in Bettendorf. North Scott shot a two-round total of 660 to slip past Bettendorf's 662 to win the title. It marked the first time in North Scott's 14-years in the MAC that a Lancers' boys varsity team won a championship. To be the first North Scott boys team to win a MAC title was something special for Coach Randy Denner.

All the Lancers played well. Along with Cory Olson, Jake Vollbeer and Nate Uitenbroek's scores, Andy Laake finished with an 84 while Kirk Golinghorst came in at 93, all fine scores, Denner said, considering the windy conditions.

Lady Golfers Hope For the Best

North Scott's girls' golf season was a very successful one with a very disappointing end. It was the second straight undefeated season for the lady golfers. The team has won its last 27 dual meets, dating back to a loss to Clinton on April 10, 1989. They cruised to a third straight Mississippi Athletic conference crown. In the conference the Lancers led Clinton by just one stroke after nine holes but Clinton's consistency was not enough to match the North Scott lady golfers.

Lancer Coach Marcia Hartman quoted, "We have a number of promising players. Sarah Hotchkiss and Amy Shannon have both improved greatly from last year, and in addition we have two new players, Danielle Stender and Kim Wittkop who have been working hard and steadily improving." Mrs. Hartman also recognized Beth Bader and Dawn Frietag, who captured the two top spots with an 80 and 88 respectively. "we were hoping for the best," said Hartman. "Beth and Dawn both deserve to play in the state meet as they are two of the top golfers in Iowa. Unfortunately, only Beth advances."

Bader made her third straight appearance at the state meet. She captured the individual championship in the 17-year-old division of the Iowa Junior Women's Open Golf Tournament. Beth shot an 86 the first day of play and an 81 to place 4th in 3A and 7th overall.

Boys

CROSS COUNTRY

FIRST YEAR coach Dan O'Flaherty was at the helm of a very young Boys Cross Country team this year. The team consisted of ten members; two seniors, two juniors, two sophomores, and four freshmen.

"As a coach, I was very pleased with the way our year went. Obviously you always want to finish higher, but the younger kids found out what it takes to be successful in our conference and district," O'Flaherty said.

The Lancers ended their season with a tenth place finish at districts, which isn't that bad considering it was probably the strongest district in the state.

With only two seniors leaving the Boys Cross Country team looks to be a team of the future.

"We have the majority of our squad back next year and with hard work we should be a better team," O'Flaherty said.

THE NORTH SCOTT girls' cross country team had only three returning varsity runners. They finished fifth in the Mac. The lady runners strived for consistency all season. In the Class 3A district meet at Muscatine the Lancers were paced by junior Audra Madden who finished 30th while freshmen Courtney Gilkison, who ran her best race, finished 32nd. Junior Jenny Rock and senior Steph Goodrich finished 38th and 40th respectively.

"I felt Audra ran a very good race," said Lancer coach Marcia Hartman. "She's worked hard all season and I was happy to see her finish with a good run. Also, I would like to thank Steph Goodrich for the leadership she's shown this season. I could always depend on her to give 100 percent in practices and meets, and it's nice to have runners like Stephanie to set a good example for the others. We will miss her next year and certainly wish her the best."

THE NORTH SCOTT girls varsity volleyball team was one game away from traveling the road to the State Volleyball Tournament in Cedar Rapids. The Lady Lancers were very successful in the MAC Conference with a third place finish of 7-2. They were undefeated in the Conference up until the last two games against Central and Clinton. The volleyball team never won a Saturday tournament but had a dream come true win over this years State Champions Dubuque Wahlert in the Cedar Falls Tournament. The Lancers played many matches that gained their confidence and experience they used to be very competitive in post season play. The Lady Lancers won the Distict Championship against North and played one of the most exciting volleyball matches ever seen in their season against Cedar Rapids Jefferson.

THE 1991 VOLLEYBALL season was a very successful one. The members of this years team were a great group of young ladies to work with as well as good volleyball players. They were a dedicated group who had a "never say die" type attitude. That was never more evident than in our Regional Semi-final match against seventh ranked Cedar Rapids Jefferson. We came back to defeat Jefferson after being down two games to one.

The Lancers were led by five seniors Kelli Ferguson, Tricia Graham, Cindy Loussaert, Tiffany Olson, and Dawn Strobbe. Beth Bader, another senior, was sidelined the entire season with a knee injury. These ladies worked hard and did a great job of helping the younger players.

FRESHMAN VOLLEYBALL

THE HIGHLIGHT of the freshman volleyball season was the first place finish at Williams Invitational.

"Volleyball is a game of momentum. This was especially evident in the Williams Invitational. We got the momentum at several critical times in our games against Muscatine in the Semi-finals and Bettendorf in the Finals. It is a great tribute to this team to bring home the hardware."

"We had many laughs together that even when we are older we will never forget. Everyone did a great job and contributed all they could for the team. We had many ups and downs this season but we know there are many more," replied Erin Siemsen.

1991 VARSITY FOOTBALL

THIS SEASON the North Scott varsity football team went 0-9 for the first time since 1986 and no one felt worse than coach Aaron Van Dyke.

A major contributing factor to the losing season was the low number of students out for football. The team started the season with 28 varsity players, four of which were sophomores. By the end of the season the number of players dwindled to 22 players dressed in uniform.

Despite the losing season some individuals still had some record-setting performances in 1991.

Senior Hans Krueger set both single season and career records for kick-off average, as he averaged 53.8 yards per kick-off this year and 50.2 yards for his career.

The other Lancer record-breaker was senior kick-off returner Mike Griggs who finished his career with 823 yards on 34 returns.

Krueger was the lone Lancer to make the first team all-conference list. He made the first team as a punter and the second team as a kicker. Sophomore wide receiver Daryl Gerardy and junior quarterback Josh Younkin joined Krueger on the second team, while seniors Terry Lassiter, Brad Van Pelt, and Chad Haedt made honorable mention as offensive guard, linebacker, and defensive back respectively.

The 1991 season was the last season for coach Van Dyke at North Scott. After his resignation he said he plans to stay on as Physical Education teacher and looks to coach at a high school or small college in the future. Since taking the head football job at North Scott in 1985 he recorded 18 wins and 54 losses.

Shortage Still Earns Victory

The 1991-92 Sophomore Lancer Football team was led by Coach Andy Gray. Because of the shortage of varsity players, four sophomores were moved to the varsity team. Even without these players the sophomores still earned a victory.

The freshman team, led by Clint Long and Dale Tuftee, accumulated the best record of the Lancer football teams, going 2-7.

TRAINERS

"I enjoy working with kids, seeing someone return to competition after an injury, and our training room facilities." said Head Trainer Paul Flynn.

For seven years he and his student trainers have seen everything from blisters and jammed fingers to an unconscious athlete.

This years student trainers consist of two seniors; Pete Duytschaever and Jenny Felsman, one junior; Chrissy Costello, and a sophomore; Christie Spohn.

At 3:15 everyday they are in the training room treating North Scott's athletes before practice. They also attend all games in case an injury would occur. This requires many long days and time away from families. But without the time and dedication of our training staff, North Scott would not have the successful athletic program that it has.

Satisfaction Outside of School

There are several students that find enjoyment in several activities that the school cannot sponsor.

Shawn Entsminger has been involved with Shuri-ryu Karate for 3 years. He became interested in Karate from a movie he had seen. Shawn competes in Keokuk, Iowa and has won numerous trophies.

Teresa Looney has been participating for eleven years in Gymnastics. She has competed in several states such as Iowa City, Iowa; Omaha, Nebraska; Milwaukee, Wisconsin; and Kansas City, Kansas. Teresa has many medals and trophies and qualified twice for the regional meet.

"I got started in Gymnastics by my mom because she signed me up for a local tumbling class," said Looney.

Bobbi Heater has competed in Karate (Shae-lin style) for about 10 years. She became interested in Karate by a demonstration at a local fitness center. Bobbi practices at Morrow's Academy of Martial Arts in Moline, Illinois. Bobbi is a second degree Brown Belt and competes anywhere. She has also won several trophies and medals.

Junior Mike Lambert has been involved with Ski Racing since he was 5 years old. He first got started when his Dad took him to Snowstar Ski Hill to learn to ski. He competes at Snowstar and has won 1st place in the Tight Shalom and 4th place in the Giant Shalom.

Marc Orcutt has been involved in archery for about 5 to 6 years. He competes at the Bettendorf and Long Grove Archery Range. He was awarded 2nd place at an archery tournament. Marc is presently in a bow hunters league and competing against some of the best shooters in the country. He can hold his own with an average score of 439 points out of 528 pts. 528 points is a perfect score.

Brent Decker and John Stahmer are both involved with water skiing. They started in their youth days and have been participating for 6 years. John and Brent have improved much with each outing. They compete on the Rock River and the Mississippi River.

Randy White has been participating for 2 years in Drag Racing. He became interested in Drag Racing from his father. White Racing competes at Cordova, Illinois. Jeff Buzzell is one of the best pit men for White Racing. Randy has placed 7th in his class and qualified for Bracket Championship at Corvora Raceway.

"The 1991-92 Varsity Girls Basketball Season was rough due to injury problems. With the loss of Beth Bader and Ashley Crow for most of the season the Lancer had to rely on young inexperienced players. Records sometimes do not tell the whole story as the varsity girls 7-12 record shows. Out of the 12 losses the Lady Lancers had 9 that came from teams rated in the top 16 in the state and out of their 7 wins two of the wins came from rated teams. In order to be the best you must play the best and that is what the Lady Lancers did."

SOPHOMORE GIRLS BASKETBALL

"THE INTANGIBLE ABOUT this team is that we never gave up. It didn't matter who or where we played, or what the score was, we played hard." That is what Coach Goedken had to say about this year's Sophomore Girls Basketball team. This year's team had an overall record of 11-7 and finished 8-6 in the MAC. Jill Hyer was the team leader in FG%, FT%, assists, and scoring, while Angie Schnorrenberg led the sophomores in rebounding, averaging nearly 6 rebounds per game.

FRESHMAN GIRLS BASKETBALL

COACH NEVENHOVEN LED the Freshman Girls Basketball team to an excellent record of 17-1. The freshmen's only loss was to Walcott by 5 points. To end the season, the freshmen took first place in the North Scott Tournament. Tough defense was the key this year as the Lancers allowed the opponents only 31 points per game. The leading scorer for this year's team was Tara Buzzell, who averaged nearly 16 points per game. The leading rebounder was Teisha Tuftee, who pulled down an average of nine rebounds per game.

THE VARSITY BOYS Basketball season was a very exciting and successful one. First year head coach Bob White was probably like any other coach starting out in the MAC Conference in adjusting to a new coaching position with his ideas combined with new players and their ideas of basketball. The highlight of the season was the two very close games against the number one ranked team in the state, Clinton.

"The student body was SUPER! We appreciate their support and that has a great deal to do with the way we played," said Head Coach White.

FRESHMAN BOYS BASKETBALL

"WE THINK THE record of 13-5 does not reflect our overall play throughout the season. We are probably one of the top contenders in our conference and have a ways to go before we are going to master our skills. Our season in perspective was hampered by the devastating losses of Jay Nichols and Ryan Bare. We also had a streak of minor injuries. Despite this factor we continued to play together and avoided the turbulence that other teams get involved in.

This team has great talent but the lack of concentration and execution of offense showed throughout the season. Overall our season was good but still disappointing. Next season we hope to be back healthy and ready to win the MAC conference." --- Jared McClurg & Terry Haase

SOPHOMORE BOYS BASKETBALL

"THE SOPHOMORE SQUAD had a tremendous year, although we finished just 2 points from our #1 goal-to win the MAC. We had excellent team chemistry and we played quality basketball all season long.

We started the season with a loss to Bettendorf and didn't lose again for 2 months and 1 week. We trailed Bettendorf by one game all season until they finally lost in late January creating a two way tie and set up a conference championship showdown at Bettendorf. We played very well but came up 2 points short and finished 2nd place.

It was a joy to be a part of this team this year. They worked very hard and showed a great deal of improvement throughout the year. I will be eager to see how they do in the future.---
Coach John Hawley

It was a real challenge for the Varsity wrestlers to win matches this year. Because they were unable to fill four weights, they automatically lost 24 points every time they took the mat. Despite not winning many matches, some individuals turned out fine seasons. Baramé Osothsongkroh placed 1st in the districts and after beating Zoom Bui of Indiamola 10-5, he became the first North Scott junior to ever win a match at State in class 3A competition. Along with Baramé's outstanding effort, North Scott also had 5 wrestlers place 3rd at districts and 1 place fourth. Coach Jeff Newmeister commends the wrestlers on their season and described them as a "good group of hard working individuals."

THE PLEASANT VALLEY/North Scott boys swim team had a tremendous season, ending the year with a perfect record of 9-0. Mike Griggs, who won the 100 butterfly and the 50 freestyle at districts, captured 3rd in both events at the state meet. Kirk Moeller claimed the 200 freestyle title and 3rd in the 50 butterfly at districts, and went on to state to place 17th and 7th respectively. Mike and Kirk combined with two Pleasant Valley swimmers for the 400 freestyle relay, which placed 5th at state, and clearly captured state championship in the 200 freestyle relay. These four swimmers broke the state record of 1:27.94 by almost a full second, touching the wall in 1:26.81.

The girls swim team had a great season as well. Sophomore Andi Sharp was the only girl to participate in the cooperative swim program, and she added a lot to the team. Her performance at districts, claiming two 3rd and two 2nd place finishes, qualified her for the state meet. She finished 12th in the 100 butterfly and 13th in the 200 freestyle relay.

SPECIAL OLYMPICS

IT WAS A busy year for the Special Olympians. They participated in such events as soccer, basketball, and volleyball. The basketball team won the district and went to the state tournament at the University of Iowa. They also took part in the Special Olympic Winter Games in Dubuque, and this summer they will compete in the Summer Games which will be held at the North Scott track.

This year's participants were Jess Pajunen, Tom Welch, Kevin Petersen, Todd Medd, Cory McNally, Eric Vetter, Beth Martzahn, Michelle Bulington, Rob LaRoque, Jon Filson, Jay Kahley, and Tracy Retzel.

Silver Shakers Shake It Up

North Scott's dance team, The Silver Shakers, had a very fulfilling year. This year they performed for such events as a boys' basketball game, a Thunder basketball game, pep auds, and the Homecoming football game. At the Homecoming game on October 11th, they performed a dance which they took to the Iowa State Drill Team Contest in Cedar Rapids. At the contest they also competed in the light and pon dance categories. In all three dances they received division one ratings.

The dance team, funded by the Boosters, were led by first year cheerleading coaches Toni Menard and Melissa Brimeyer. The choreographing was done by Stacey Coverdill, Renee Nestler and Sally Donabauer, with help from the coaches.

Cheering for Self-Satisfaction

With plenty of Lancer-style cheering experience, Toni Manor takes over Head Cheerleading Coach with a new point system and great ideas. Manor was a 1985 graduate of North Scott and was Assistant Cheerleading Coach last year. Assistant Coach Melissa Brimeyer also cheered at North Scott. They have similar ideas and goals about the new cheerleading program.

"I am really excited about how the program has blossomed this year. All the cheerleaders deserve a lot of credit for all their hard work and dedication," expresses Assistant Coach Brimeyer.

Coach Manor comments, "I think cheerleading is such a challenge because we don't have 'titles' or league championship to strive for. Our main reward is simply hearing compliments from our peers, teachers, players and community."

The 1991 Varsity Fall Cheerleaders are Melissa Blanche, Rachel Hedquist, Dina teDuits, Jenny Stockstill, Sara Brockhouse, Wendy Skadal, Sue Hamilton, Susan Tapper, Taga Dumerauf, Shawnee Kingsley, and Wendy Patzer.

The Sophomore Fall Cheerleaders are Merry Hanna, Kiki Farrey, Jamie Holdorf, Angie Melcher, Rebecca Dierks, Melanie Coverdill, Brandy O'Boyle, Kari Hill and Debbie Glanz.

The 1991 Freshman Fall Cheerleaders are Gail Peshek, Kelly Brennan, Molly Kiefer, Tracy Hawker, Kelly Campbell, Sarah Lindle, Jessica Kuehner and Jill LaFrenz.

THE YEAR IN REVIEW

1991

While we travel on life's highway, we pass many points of interest, both locally and abroad. In these three pages we'll look at what has been going on in the world, and right next door, while we studied for the last tests and did our final bit of homework for the 1991-1992 school year. For those of us who are graduating, this dynamic and eventful world is now a much more real thing in our lives than in years past. We see the importance of taking responsibility for ourselves and expect the same of our neighbors. We see a world which is being swept with democratic reform. This is evident in the changes in the once mighty Union of Soviet Socialist Republics, now the Commonwealth of Independent States. Capitalism, freedom, and peace seem almost within reach. Yet still we are plagued with the old problems, of war, environmental damage and disease. Revolution in Yugoslavia, ozone depletion, overflowing landfills, crimes, drugs, and the ever expanding threat of AIDS. So we face the problems of the past, dealing with them now, and hopefully resolving them in the future.

TOP INTERNATIONAL

1. Breakup of the Soviet Union
2. Hostage Releases
3. Ozone depletion
4. Middle East Peace Talks
5. Revolution in Ex-Communist Nations

TOP NATIONAL

1. Recession
2. Election Year Politics
3. Sexual Harassment
4. Trial Watches
5. Check Bouncing in Congress

Above: The Recession hit hard at home.
To the left: The fall of Communism was a major story in the year 1991.

Thinking

If you think you are beaten, you are.

*If you think you dare not, you don't.
If you'd like to win but you think you can't,
It's almost a cinch you won't.*

If you think you'll lose, you're lost.

*For out of the world we find
Success begins with a person's will --
It's all in the state of mind.*

If you think you're outclassed, you are;

*You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.*

Life's battle doesn't always go

*To the stronger, faster woman or man.
But sooner or later the person who wins
Is the one who thinks they can.*

C. C. takes B. C.

Top: The 1992 B.C. court consisted of Fred MFate, Paul Ragona, Jake Vollbeer, Kirk Golinghorst, Matt Koenen, King Cristian Carlton, Brian Wallis, Mike Griggs, Chad Haedt and Randy White. Escorting this elite group was Stephanie Goodrich, Tricia Graham, Dawn Frietag, Ashley Crow, Tiffany Olson, Zestee Zimpleman, Amber Rindler, Tracy Coulter, Alisa Ulloa and Melinda Lau.

Middle Left: 1991 B.C. King Larry Thein wishes he was taller as he places the crown on Cristian's royal head. Julie Boley shows her enthusiasm while Zestee Zimpleman is too excited to watch.

Middle Center: Matt Koenen shows us his G.Q. style.

Middle Right: Cristian receives congratulations from his court, including Kirk Golinghorst, Chad Haedt, Matt Koenen and Mike Griggs, while Ashley Crow applauds the new king.

Left: Randy White concentrates while Melinda Lau enjoys being his escort.

Right: The flowergirl and crownbearer lead the way for the Top Ten.

*Bachelor Capture
Open Arms
March 14, 1992*

Over 350 students awaited B.C. '92 with "Open Arms." The excitement began on Friday, March 6, with the announcement of this year's Top Ten. Voting for the king to be a lucky day for Cristian Carlton, as he was crowned by the previous king, Larry Thein.

The big day started out early for several seniors who turned the pit into a spectacular dance floor filled with purple, black and silver. After about six hours of work, you wouldn't believe it was our own gym.

After dining with their date, couples started to roll in around 8:00. After dancing to some music from 97x, Cristian Carlton and his court were announced. The theme song, "Open Arms" by Journey, was then played for the Top Ten and their parents.

Couples captured the essence of the evening through photographs from Big Ed's. Everyone had a great time at Bachelor Capture and the night ended safely for all North Scott students.

TOP: These sophomores look for dates to fill their open arms: Hiram Heysinger, Jason Stillwell, Nate Noel, Jason Shannon, Andy Straley, Mike Santee and Jeri Shaver.

ABOVE: Nate Uitenbroek squeezes Dawn Strobbe with all his might.

ABOVE RIGHT: Nate Carr and Neva Hoffman enjoy themselves at the dance.

RIGHT: Amy Manley, Sarah Rashid, Tricia Graham teach Megan Arensdorf, Amy Paulsen and Jennifer Wilson how to dance.

A Message From The Tri-Editors

Being an editor was a lot of hard work. I didn't realize this when I accepted the position. It took a while to learn how to use the Macintosh computer, but once I learned how, it was a lot of fun. The yearbook seems easy to make until you actually make it. It takes teamwork and dedication, which we had this year. Everyone did their job and came through to meet the deadlines.

I want to thank everyone who helped make the 1992 Shield and I hope that North Scott likes it.

Neva Hoffman

Being an editor of the 1992 Shield was quite an honorable experience. I was surprised when they chose me, since I had no prior knowledge of computers, especially the Macintosh. This position gave me a chance to learn many new things that will definitely be of use to me in college and future careers. I entered this job thinking it wouldn't be that hard, but it required a lot of dedication and responsibility. I would like to thank the fellow editors and others who put so much time and effort into making this yearbook the best we could.

Amy Manley

Well, you guys took all of the mushy stuff, and I can't really say that I learned a lot about the Macintosh, because I already knew it. But the one thing that I did learn, was how to hold responsibility and to listen to other people's ideas and use them.

I want to thank the other two for doing a great job and the rest of the staff for their cooperation and for their extra effort.

I would also like to thank all of you students who contributed photos. Thanks for the great response!

This yearbook is full of things that we (the entire staff) think you will like, and hope that you will enjoy forever.

Mindy Thornton

About The Cover and Theme

This year's cover was designed by Sally Noel, with assistance by Mr. Bernie Peeters. We wish to thank her for donating her time and effort, and for completing the cover within a very pressing timeline.

The theme "On Life's Highway" was chosen by the yearbook staff after several days of consideration. The theme is carried throughout the book by the use of road signs and other highway paraphernalia.

THANKS!

We would like to take the opportunity to publicly thank those, who without your help, the Shield would not be possible.

First, we thank Scott Campbell and The North Scott Press for those "perfect" extra photos that we needed.

Next, we would like to thank Denise Greve, for photographing the bands for us.

We wish to thank Mark Olson, of Jostens Publishing Co., for his expertise.

Since the yearbook receives no tax dollars, our advertisers deserve a special thank-you. The yearbook depends on advertisers' support as well as sales and fund raisers to cover costs.

And thank you, Mr. Hennigan for keeping his room open and for taking charge and being so authoritative when Mr. Kielkopf was absent.

For all of those who we may have overlooked, we extend our gratitude.

Thanks Again!

COLOPHON

The 1992 Shield is Volume 34. This issue contains 176 pages printed by Josten's, Topeka KS, represented by Mark Olson. The cover is "true life" laminated lithography. The cover artwork, created by Sally Noel, assisted by Mr. Bernie Peeters, was printed on laminated 120-board weight cover. The book was printed on 80-pound gloss paper.

Most of the candid and group photos were taken, printed and processed by Yearbook staff members. There were over 100 contributed photos by students. The main copy is 10 pt. Times. The cutlines are 9 pt. Helvetica bold. Individual copies sold for \$28 and were distributed at the second annual North Scott Yearbook Signing and Distribution Party on May 21, 1992 from 7 to 10 p.m. Approximately 750 copies were produced. We thank you all for letting us be one of your stops on life's highway.
